

Universities and R&D Institutions

Huangpu District (Guangzhou) has a quick and easy access to profound innovation and R&D capabilities of Asia's key future technologies hub - the Greater Bay Area. More than **200 universities and R&D facilities are in just 2-hour driving distance.**

80+ universities with more than 1 Million students (~300,000 in healthcare sector) are directly located in Guangzhou alone.

Guangzhou Higher Education Mega Center (HEMC), Guangzhou University Town, was opened 2004, and is located next to Huangpu's International Bio-Island, on Xiaoguwei Island in Panyu District, Guangzhou. With an area of approximately 17.9 km² and 3.53 millions square meters of indoor space, the complex can accommodate up to 400,000 people (200,000+ students).

R&D expenditures in Huangpu alone accounts to record 4.5% of regional GDP in 2021.
